Thank you for your email Mary.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

This bill must not pass.. It will bring added costs to our city . I see **no benefits** from this at all. As a concerned citizen about higher costs. I am asking you to vote NO on AB1210.
